## Methodology

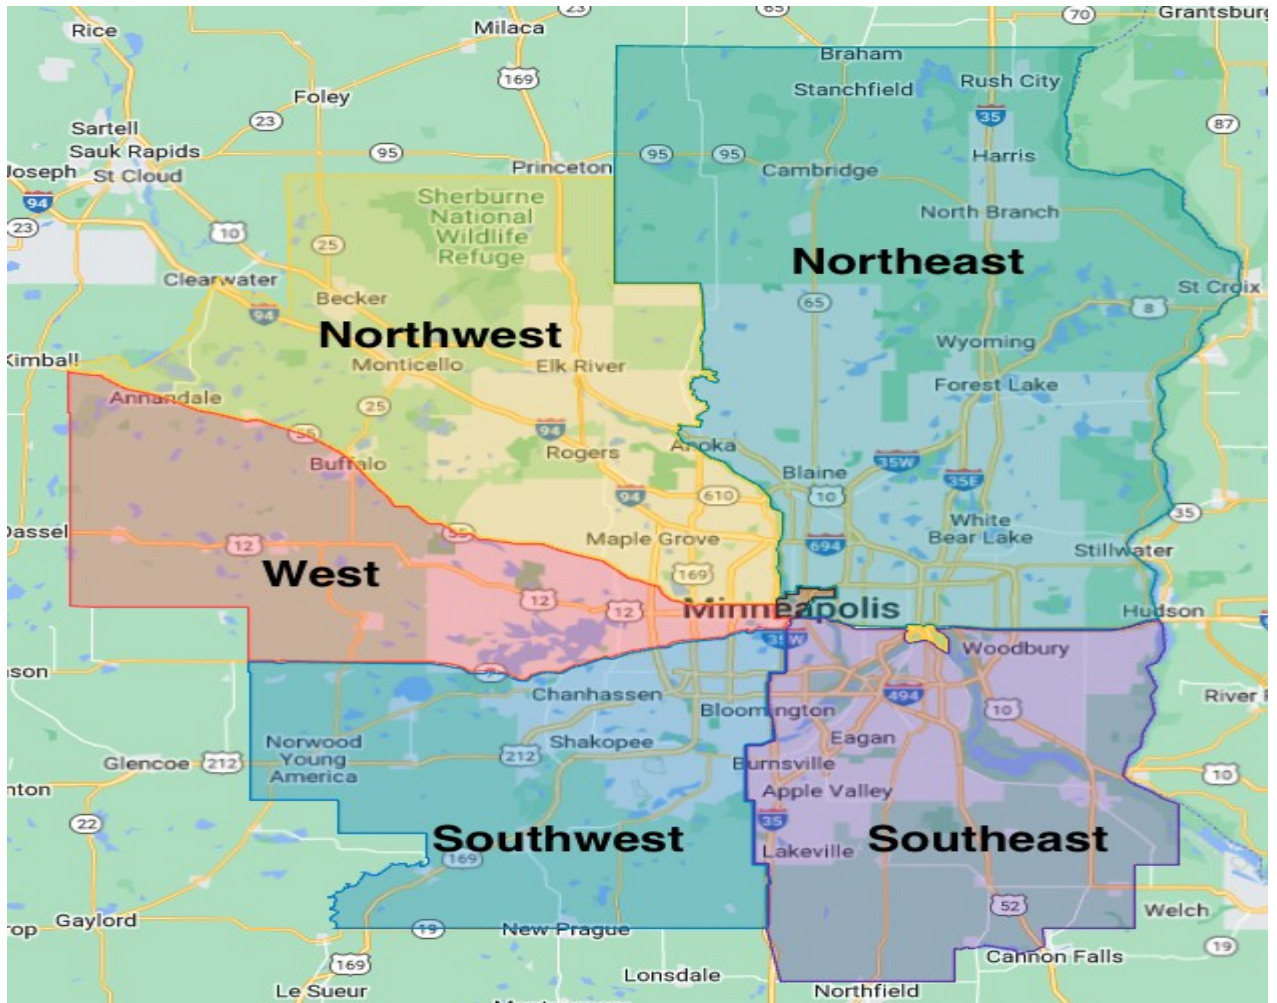

The Mpls-St Paul market consists of single and multi-tenant office buildings 20,000 sf or larger or part of a complex larger than 20,000 sf. The geographic area includes Anoka, Carver, Dakota, Hennepin, Ramsey, Scott and Washington counties. The tracked set does not include medical or government properties. All tracked properties are existing. Statistically, net absorption will be calculated based on occupancy change during the current quarter. Asking lease rates are based on an average asking rate and noted on a FSG terms with Net type leases grossed up.

**The Mpls-St Paul tracked set consists of an inventory of buildings considered to be competitive by the brokerage community. All buildings within the competitive tracked set have been reviewed and verified by members of the Advisory Boards for each market area.**

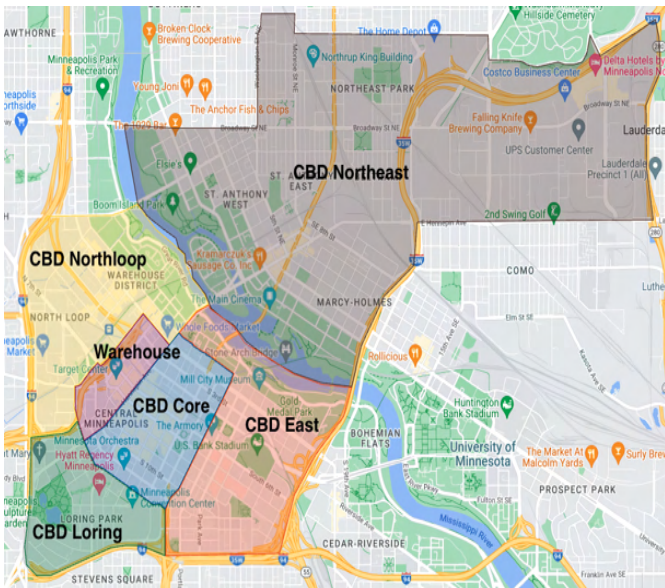

## Terminology

<b>Inventory</b>	The total square feet (sf) of existing single and multi-tenant buildings greater than 20,000 sf or are part of a complex that totals greater than 20,000 sf located in Anoka, Carver, Dakota, Hennepin, Ramsey, Scott and Washington Counties.
<b>Total Available (sf)</b>	All of the available leasable space within a building, whether it is occupied or vacant, for direct lease or sublease space. Space can be available but not vacant, for example, if the landlord, or his agent, is marketing space that will be coming available at a future date because a tenant is planning to move.
<b>Total Vacant (sf)</b>	The total of all the vacant square feet within a building including both direct and sub-lease space.
<b>Direct Vacant (sf)</b>	The total of the vacant square footage in a building that is being marketed by an agent representing the landlord.
<b>Sublease Space</b>	Space that is offered for lease by a current tenant, or their agent, within a property. Whether the tenant is paying rent or not, the space is considered vacant only if it is unoccupied.
<b>Net Absorption</b>	The net change in occupancy from quarter to quarter, expressed in square feet.
<b>Average Asking Rate</b>	The average lease rate expressed as a per square foot value in full service gross (FSG) terms with Net type leases grossed up.
